HEXHAM TOWN COUNCIL

Application to be added to the allotment waiting list

Please note:

The Council has three allotment sites, one at Quatre Bras [near the Broadway] one at Dene Park [rear of Monk's Terrace] and one at Wydon Park [south of Wydon reservoir]. We currently have a waiting list and will be able to offer you an allotment, in turn, when a vacancy occurs. It is not possible to estimate how long you will have to wait but it will be at least two years, probably longer. When offered an allotment, you must be a resident of Hexham. If you cannot, or do not accept the offer, your name will be removed from the waiting list.

We will contact you at the address you give below. Please advise us in writing if your address changes.

All correspondence or enquiries should be sent to the address below. **Keep** this part of the form for your future reference.

Please print, complete and return the tear off portion below to:
