## **HEXHAM TOWN COUNCIL – DECLARATIONS OF INTEREST**

Under the Code of Conduct adopted by the Council on 3 September 2012 Councillors must declare if they have a disclosable interest in any matters under consideration.

To do so Councillors must use one of the following statements:

1. “I have a disclosable pecuniary interest  
in..... (for example) Agenda item 3, Planning  
application number 14/1234”.  
(**NOTE:** Code of Conduct paragraphs 11&15 apply).
  
2. “I have a disclosable personal interest  
in..... (for example) Agenda item 4, Grant  
aid application by Hexham Youth Initiative  
(**NOTE:** Code of Conduct paragraph 13 applies).

Councillors should familiarise themselves with the Code of Conduct regarding the definitions of (A) pecuniary interest and (B) other personal interest and their obligations when declaring any such interests.

To ensure Councillors interests are correctly minuted please use one of the above statements when declaring an interest.

NB. Should a Councillor wish to take part in the consideration and voting on a matter or matters in which he/she has a disclosable interest then they may request a dispensation be granted to enable them to take part in the discussion and voting on it but at least 10 days’ notice must be given for any dispensation request.

**Applications to be commented upon under Committee's delegated powers (minute 6588 refers).**

**Any objections made on applications must be 'material planning considerations'. To be material, a matter must relate to the "purposes of planning". The views of local Councils and other consultees can only be taken into account by the planning authority if they are material. Such comments must always bear in mind that:**

*"The purpose of the planning system is to contribute to the achievement of sustainable development" (Paragraph 6 National Planning Policy Framework)*

There is no definitive list but examples are:

- National planning policy
- The local planning authority's planning policies (including Neighbourhood Plans)
- Overlooking/loss of privacy
- Loss of light or overshadowing
- Parking, means of access, highway safety and traffic
- Noise, odours
- Effect on listed building and conservation area
- Layout and density of building
- Design, appearance and materials
- Nature conservation
- Flood risk
- Crime prevention and community safety
- Previous planning decisions
- Views of parish and town councils
- Views of statutory consultees: Highway Authority/Environment Agency/English Heritage/Sport England/Others (neighbouring LPA, HSE, etc.)

## Non-material planning considerations include:

- Loss of view
- Negative effects on the value of other properties
- Land ownership or restrictive covenants
- Applicant's personal circumstances or past conduct (unless exceptional, such as relating to a physical disability in certain circumstances)
- Business competition
- Matters controlled under building regulations or other non-planning legislation
- Disabled person's access
- The nature of the applicant or owner
- Prospect of a "better" proposal

*These are subject to change in national legislation or planning policy.*

NB All planning applications (and related decisions) are online at:

<http://publicaccess.northumberland.gov.uk/online-applications>

If Hexham Town Council objects to an application listed above the objection is lodged online.

## Hexham Neighbourhood Plan Considerations

### Hexham Neighbourhood Plan

### Practical Guide

May 2020

The Plan's referendum is deferred; NCC must give its provisions 'significant weight'. The Plan's provisions are, as the Independent Examiner has confirmed, the result of 'comprehensive and robust' consultation across the town's population.

**Two overarching Planning Policies** that address **Sustainability** in widest sense – to sustain/expand Hexham's economic, social and community well-being base as well as environmental concerns:

**HNP1** p18 supports e.g. expansion of community facilities and recreation, new (market and affordable) housing, increasing local employment e.g. tourism, development that increases travel on foot or by bike; use of brownfield for above. All **inside** existing greenbelt boundary (greenbelt dev subject to national policy).

**HNP2** p19 establishes **principles for design**: positive attention to local character (different in different parts of town) (developers can be asked how they have met this), with attention to appearance, scale, massing, height, density, access, landscaping, highway safety, residential amenity (e.g. retail, public transport, noise)

**and for low carbon technology**: embedded renewables (solar, geo-thermal), low carbon build technologies (reduced carbon footprint into future, e.g. insulation, glazing), reduction of water run-off (Sustainable Drainage Systems - SuDS), plus net biodiversity gains or enhancement nearby.

**Built Heritage Environment**, uniquely strong in Hexham, visually the Hexham story.

**HNP3** p21 **Design in the Conservation Area**. Makes existing national CA regulations Hexham-specific. Local character to be sustained or enhanced, with attention to character and setting (neighbours): i.e. views into and out of Hexham, with historic and unique roofscapes, and 3 key historic buildings, lay-out of streets and narrow chares.

**HNP4** p25 **Non-designated Heritage Assets**: special protection for specific buildings that have value to local community (list at Annex A). Can be added to.

**HNP5** p26 **Shopfront Design**, must respect 2018 NCC Hex Shopfront design guide.

**HNP6** p28 **Market Place**: conserve or enhance character, respect highway safety, pedestrians, especially old or with disability, and cyclists.

**HNP7** p29 **Designated/Listed Assets**: names buildings, parks, gardens and monuments for clarity.

**New Housing**, including to redress the imbalance in available housing and respond more strongly to local people's needs.

**HNP8** p31 **Site Allocations**: lists 10 sites with sizes and special considerations.

**HNP9** p40 **New Housing Developments**: these must demonstrate how they have considered: trees, wildlife corridors, heritage assets; vehicular and non-vehicular movement and safety; high quality design (see HNP2 and Building for Life 2015); the locally needed mix of housing: more 2- and 3-bedroom houses and bungalows.

**HNP10** p41 **Affordable Housing**: market schemes of 10+ houses must include 10%, 15% and majority of town 25% affordable homes, to rent or buy, according to NCC/HNP Viability Zones (see map). Some data from Housing Needs Assessment Report provided. Emphasises 1-, 2- and 3-bedrooms.

**HNP11** p41 Older People's housing: including sheltered, supported and bungalows, well served by public transport.

**HNP12** p42 **Rural Exception Sites**: follows national policy for new dwellings on greenbelt – must be small sites of affordable homes to benefit local people.

### Natural Environment and Wellbeing

**HNP13-17** pp44-49 **Green Spaces**: lists the protected green spaces the public value, and covers also protection for Tyne Green, wildlife corridors, allotments (+increased provision), and hedgerows/trees/verges (any new build could impact negatively on these, and replacement can be required).

**HNP18** p50 **Dark Skies** – link to policy of Northumberland National Park and 'astro-tourism'.

**HNP19** p51 **Community Facilities**: no loss of these, as listed, unless defunct.

**HNP20** p52 **Community Renewable Schemes**: support for these, with caveats.

**HNP21** p53 support for **Improvements to Walking and Cycling** expected in all applications where it is relevant, and impact of new development on access and safety to be explicitly avoided.

### Local Economy

**HNP22** p56 **Primary Shopping Area**: aims to maintain the vitality and viability of this crucial area, and explanatory text offers tests to ensure any change of use will contribute positively; conversion to residential above ground floors is supported.

**HNP23** p57 **Hotel and Tourism Accommodation** is supported to develop what Hexham offers and to encourage longer stays; Hexham's proximity to key areas (Hadrian's Wall, Dark Skies, North Pennines AONB) can lead to visitor hub status.

**HNP24** p58 **New Business Units** for small scale businesses and live-work units. Earlier developments have been very successful.

**HNP25** p59 **New Car Parking Facilities**: much needed, but new proposals must meet design criteria HNP2+3, with cycle storage included; if multi-storey, impact to be carefully considered, on setting, views and roofscape.

### Section 9 Monitoring and Review

Para 9.1.8 provides a framework for monitoring, registering and reporting achievements within the Plan's policies.

A review of the Plan, also a formal opportunity to make small updates and modifications (e.g. post-pandemic) was planned for 2020 (from 2018). This will presumably now be scheduled for 2022.

NB Also available and useful are NCC/HNP viability zones map and HNP town centre policies map.
