Hexpress Lite

Hexham Goes Digital

Hexham Town Council, together with Hexham Community Partnership, has made the decision to trial online communications. This means that this is the final printed edition of Hexpress. But don't worry, the information usually found in Hexpress will still be available in a variety of places. Event listings will be posted in the many noticeboards around town as well as being available on our respective websites. You'll also see updates on our social media pages and in the form of blogs.
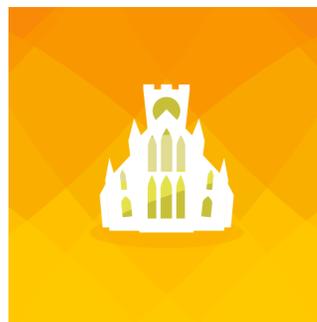

Where are the town noticeboards?

We're glad you asked! Hexham's noticeboards can be found in the following places:

Bus station
Moot Hall arch
St Lukes Road - Priestlands
Railway Station

Where can I find out what's happening in Hexham?

Our websites are a good place to start:
Hexham Town Council:
www.hexhamtowncouncil.gov.uk
Hexham Community Partnership:
www.hexhamcommunity.net
www.visithexham.net

Check out our social media channels too:

Twitter: https://twitter.com/VisitHexham

Visit Hexham App

Hexham Community Partnership, with thanks to Hexham Town Council for funding, are pleased to launch the Visit Hexham App. The aim of the app is to help visitors get the best out of their experience of Hexham.

Hexham is already well-known as a heritage destination and has much more to offer in terms of shopping, entertainment, restaurants, cafes and culture. Visitors are sometimes unsure of what to do on arrival in Hexham and the app solves this problem, enabling visitors to enjoy a self-led experience tailored to their needs and interests, including self-guided walking tours of Hexham, highlighted places of interest, event listings and a directory of places to eat & drink, shop, visit and enjoy. We hope that the Visit Hexham app will be of interest to residents too.

The app is designed to work on mobile phones and tablets. See overleaf for mor information on how to download for free.

Struggling to get online?

Many public buildings (including libraries and cafes) now have free Wi-Fi that you can use with a digital device like a laptop, smartphone or tablet. If you would like to get online, but need a device and/or some basic training then No. 28 has a project called Click & Connect offering devices on loan and digital skills training - for free! Contact number28@hexhamcommunity.net or speak to our Project Officer on 07772 51639 for more details.

Download the Visit Hexham App

The Visit Hexham app is free to download and use. Simply open the camera on your smartphone and hold it over the relevant QR code below, as though you are going to take a photo. A link will appear, click this link and it will take you to the app download page. Alternatively, search for Visit Hexham in the Apple App store/Play store on your phone and click the links to download and install.
